Attendance

I am able to attend the full 12-week
program in-person in Washington, D.C.
from March 3 - May 23, 2025.:

Education

Are you a current graduate student
pursuing a terminal degree (e.g., Ph. D,
M.D., etc.) in any discipline within the
sciences, engineering, or medicine

(including the social sciences)?:

Have you completed your coursework?:

Have you completed your terminal degree within the last five (5) years (i.e., on or after November 1, 2019) in any discipline within the sciences, engineering, or medicine (including the social sciences)? :

:

What type of degree are you pursuing or did you complete?:

A terminal degree is the highest level of education or academic credential that can be achieved in a particular field or discipline. Usually, this means students pursuing a PhD, JD, MBA, or MD, although this occasionally includes students pursuing another type of Master's degree.

:

Do you exceed the 5-year limit due to caregiving leave or military service? :

U.S. Residence

Note: If selected, international applicants must provide copies of visa documents with their offer acceptance.

I am based in the United States and do not require visa sponsorship from the National Academies in order to remain in the U.S. during the program dates. :

Eligibility Notes

Please share any comments or context that you would like reviewers to be aware of when evaluating your eligibility for the program.:

Funding Acknowledgement

I understand that this is an educational training program which provides a stipend of \$11,000 to offset living expenses during the Fellowship period. It is not considered to be a scholarship, employment, or source of research funding.:

References

Once you complete the reference section of the application and provide your

referees' contact information, an automated email request will be sent to each referee. Be sure to provide your referees with as much time as possible to ensure that their reference is submitted before the application deadline. Alert your referees that they will receive an automated "Information Request" email from Scholar Select/Mirzayan S&T Policy Fellowship Program. This email will contain a unique link to a recommendation form to be completed on your behalf. An email confirmation will be sent to you when a reference has been received.

To ensure delivery of the reference request, you may wish to ask your referees to add **MirzayanFellowship@nas.edu** to their contacts, email address book, or safe senders list.

Unit Choices

Unit Selection

The National Academies units listed below are accepting Fellows for the 2025 Mirzayan Fellowship. Please note that the list of units accepting Fellows will vary year-to-year. **You may select up to 5 units** who you would like to view your application, and we would highly recommend you select the maximum.

Please do not contact prospective program units directly. Instead, direct all application questions to mirzayanfellowship@nas.edu.

Unit Choices:

Demographics

The National Academies of Sciences, Engineering, and Medicine value diversity and strive to foster a culture of inclusion and respect among all participants in the workplace and related activities. Collecting demographic information on applicants allows us to evaluate the diversity of the applicant pool to track progress towards achieving sponsor and institution DEI goals. All responses provided are stored in a secure location and will only be accessible to authorized National Academies staff for anonymized statistical use. Answers to these questions will not be shared with reviewers.

How did you hear about the Mirzayan Fellowship?

Please check all that apply:

If Other, please specify:

Please share more detail about how you heard of the Fellowship (i.e. who told you? What social media platform did you see it on?, etc.):
